On May 24th, Iowa Governor Kim Reynolds signed a disaster proclamation for Scott County as one of several Iowa Counties impacted by the recent severe weather. That proclamation allows grant assistance and case management services to be made available to affected residents for needs including: auto and home repairs, clothing, food and emergency housing. Individuals and families must meet income eligibility guidelines to qualify for the Iowa Individual Assistance Grant Program. There are no income eligibility guidelines for case management assistance.

****Potential applicants have 45 days from the date of the proclamation to submit a claim****
