Teacher Services

All services can be tailored to your class based on grade, area of study, or interests. Many of these services can be offered in person or virtually.

Book Talks

A librarian will visit your school to share book talks focused on a genre or subject, books by a certain author, new and popular books, award-winning books, etc.

Library Tours

Arrange for your students to visit the library. Tour behind-the-scenes and in the stacks. Tours can be combined with instructional sessions, story times, or other activities.

Instructional Sessions

A librarian will introduce students to research skills, databases, books/eBooks, and more. Visit the library's website and click on "Research Tools" for more information.

Holds, Book Lists, & More

If you have a RiverShare library card, librarians can request materials for your classroom for large group assignments or put multiple copies of the same item on hold. We can also create booklists or subject bibliographies upon request.

Story Time

The library's Literacy Outreach Coordinator visits local preschools and daycare centers to share stories, songs, and more. A one-time visit on a special theme can be arranged or the Coordinator may have schedule availability for a monthly or bi-weekly story time in your classroom.

Teacher Resources

Visit the library's website to access these resources. Some resources require a Scott County Library card. If you experience difficulty logging in, please contact the library for assistance.

Overdrive/Libby

Get free access to digital books, audiobooks, and magazines! Install the Libby app for Android, iOS, or Fire tablets. Or, visit libbyapp.com in your Chrome, Firefox, Safari, or Edge browser.

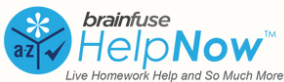

For more detailed instructions, visit the "Go Digital" section on the library's website.

Kanopy Kids

Kanopy is a video streaming service that provides instant access to thousands of critically acclaimed movies, documentaries and children's favorites. Kanopy has something for everyone including an educational and entertainment collection just for children, as well as a teacher-focused watch list.

HelpNow by Brainfuse

Live tutoring, homework help, writing lab, and study materials designed to help learners of all ages succeed. Live virtual tutors are available from 2-11 p.m. daily.

TumbleBooks

TumbleBooks are animated, talking picture books created from existing picture books from well-known publishers and authors. This resource also includes a collection of large print chapter books and classic children's books, audiobooks, puzzles and games. No device is needed – you only need to be online. Username: `scottcolib` Password: `libra`

Freegal

Freegal is a free digital music service that gives you access to 15+ million songs from 200+ genres, including Sony Music's catalog of legendary artists. The collection also features music videos and audiobooks. Streaming is unlimited and you can download up to 3 free songs each week. You can also create and save playlists and share them with others.
